On the above date and approximately 1824 Dakota Unit was called out for DART response to Cheyenne. After confirming from the responding officers their weapons card, ADOC ID card and AZ drivers license we loaded the van and departed to Cheyenne. DART team members are as follows: Dart 1, COII Medrano, Manuel 2486 EIN [REDACTED]; Dart 2, Sgt Celaya, Joanna 9292 EIN [REDACTED]; Dart 3, COII Orozco, Adalberto 11964 EIN [REDACTED]; Dart 4, COII Espinoza, Oscar 7661 EIN [REDACTED]; Dart 5, COII Ramirez, Kevin 4715 EIN [REDACTED] and Dart 6 COII Jimenez, Raymond 6488 EIN [REDACTED]. We arrived to Cheyenne vehicle sally port at approximately 1833 where Incident Commander, Sgt Roach, was located and she stated to deploy gas with the [REDACTED] into the North rec field. COII Ramirez proceeded to deploy gas with the [REDACTED] near Cheyenne Detention Unit (CDU) into the North rec field. Over the radio it was stated that Yard control had been breached along with South rolling gate. As we departed CDU area towards South rolling gate inmates began to rush the Dart team. Dart team, as well as myself, screamed several verbal directives to stop but inmates did not comply. Dart and myself then deployed multiple munitions and the inmates retreated to the South rec field. At the breached South gate inmates again rushed Dart team and did not follow verbal directives to stop and multiple munitions were again deployed. This did get the inmates to the South rec area but several inmates would try to leave and I, Sgt Villanueva, and Dart team would yell verbal commands to return to the allocated area but inmates would not comply so I would deploy my munitions to get them to comply. Dart team would then be assigned to provide security as inmates were restrained and taken off both South and North rec fields. At approximately 0100 TSU properly relieved Dart and conducted debriefing. At approximately 0110 DW Aguilar cleared Dakota Dart to return to Dakota. All equipment and munitions were accounted for at 0113 at Dakota main control and properly secured in Dart locker as well as Weapons locker.

CONTROL NUMBER

On March 1, 2018, at approximately 1840 hours, upon my arrival I Sgt. Diaz, Ralph badge 10760 EIN [REDACTED] staged on top of building 1 roof top, I deployed an approximate [REDACTED] towards the inmates on the north yard that were attempting to breach building 1. I then climbed down from the top of building one and noticed that the D.A.R.T. facing the south part of the yard inside the spline had no DART leader, so I asked the three DART members where their D.A.R.T. leader was at. They responded that they did not know where he was at. So I made an announcement "this is Sgt. Diaz and im taking over as DART leader". I then ordered the DART team to get on target and asked the two D.A.R.T. members with the [REDACTED] what ammo they had. They responded that they had no ammunition left. Then I asked the D.A.R.T. member with the [REDACTED] what ammunition he had and he responded that he only had [REDACTED]. I then commanded the D.A.R.T. member with the [REDACTED] gas gun to load fire [REDACTED] towards the [REDACTED] of the inmates advancing towards building one were who were throwing rocks towards the DART team. After the first shot was fired from the [REDACTED] gas gun, it had a malfunction and stopped operating. TSU arrived and relieved the DART team. I then proceeded to assist on clearing the buildings with TSU on the south and north yard.
